Scope

The 10th Taiwan and Japan Conference on Circuits and Systems (TJCAS 2024) will be held in Kumamoto University, Kumamoto, JAPAN, August 23-25, 2024. The objectives of the conference are to provide a forum for exchange on the latest results related to circuits and systems and to enhance and/or develop various levels of cooperation between Taiwan and Japan. Papers describing original works in all aspects of circuits and systems are invited. TJCAS welcomes all researchers and students to present their latest research on circuits and systems. For more information about the conference, please visit <https://yumilab.ei.st.gunma-u.ac.jp/~tjcas2024/> or contact us at tjcas2024@ml.gunma-u.ac.jp.

Paper Submission

Paper submission is accepted via the official website <https://yumilab.ei.st.gunma-u.ac.jp/~tjcas2024/>. Authors are required to send a paper in English within one page, in PDF format, along with information including paper title, author name(s), affiliation(s) of author(s), and the corresponding author (name, postal and e-mail addresses). Notification will be sent to the authors via e-mail. At least one of the authors of a paper must register and give a presentation at the conference.
